

ROOM-BY-ROOM PACKING CHECKLIST

OFFICE

- Pack items in smaller boxes
- Color code and wrap all electronics
- Find a safe space for important documents
- Ensure that the parts of the same item are not separated into different boxes

BATHROOM

- Again pack in smaller boxes
- Separate toiletries in a special box
- Pack medication separately
- Pack toilet necessities fast
- Disconnect washers and dryers

KITCHEN

- Pack kitchen items later
- Put small and tiny objects in a special box
- Dispose of open packages
- Find original boxes of appliances
- Leave the box for fragile items
- Please be mindful of perishable items that are in liquid form

BEDROOM

- Use a special box only for hanging clothes
- Pack shoes in the original box
- Keep your jewelry organized
- Protect your mattress
- Label your boxes by priority

OUTDOOR

- Clean all outdoor furniture
- Keep your toolbox near
- Pay extra attention to sharp tools
- Make sure to empty the fuel from lawnmowers and gas from grills, as well as any other flammable substances

DINING ROOM

- Use towels or linens to line moving boxes
- Roll rugs up and secure them with ties
- Fill empty spaces with soft items
- Pack stemware upside down
- Wrap furniture legs with bubble wrap

LIVING ROOM

- Remove light bulbs and shades from lamps
- Use blankets and towels to wrap mirrors
- Use the original box for the TV
- For cable-related items that remain, please move them to the side.
- Take photos and go room by room
Fragile items in a separate box

SPECIAL TIP

- To ensure the safety of your most precious possessions, we advise against packing them. Instead, consider taking them with you personally during the move
